What will be your project or team name for AgentX - AgentBeats competition? *

Tu respuesta

What is the email address of the primary contact for your team? If any communication will be needed, we will contact this member. *

Tu respuesta

Please list the email address of all members in your team, separated by a comma. *

Example response: "jake@gmail.com, jennifer@gmail.com, jill@gmail.com"

The email address of each team member here needs to be the same as the one used by the team member when registered in the participant signup form. Each team member must register separately by filling in the participant signup form.

For Phase 1 - Green Agent, how does your team plan to participate? *

Non-binding, just to gauge interest

- **Port (agentify) and extend an existing benchmark** — Transform a benchmark into a green agent that runs end-to-end on AgentBeats (see benchmark ideas).
- **Create a new benchmark** — Design a brand-new assessment as a green agent with novel tasks, automation, and scoring.
- **Custom Track**

☐ Port (agentify) and extend an existing benchmark

☐ Create a new benchmark

☐ Custom Track

If porting (agentify) and extending an existing benchmark, which existing benchmark(s) your team will be working on?

Tu respuesta

If your team will be creating a new benchmark, please provide a brief description (e.g. what specific capabilities or tasks the benchmark will assess, the evaluation/metrics you plan to use, etc.)? *

Tu respuesta
